

Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool

Revised July 2021

Commissioned by

Department
for Education

Created by

YOUTH
SPORT
TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2019/20	£0
Total amount allocated for 2020/21	£16,850
How much (if any) do you intend to carry over from this total fund into 2021/22?	£0
Total amount allocated for 2021/22	£16,850
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£16,850

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	9/14
N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	8/14
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	64% (9 out of 14)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	57% (8 out of 14)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	43% (6 out of 14)
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/22		Total fund allocated:	Date Updated:	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
2021/2022 funding: New PE/Sport resources including sports undertaken in tournaments (eg. football, netball and rugby). Updating resources for playtime and lunchtime. 2021/2022: TA allocated to Sport and PE across the school.	<ul style="list-style-type: none"> Children will have more resources available ensuring they can be more active during PE sessions. Children will be able to choose different games to play at lunchtime to increase activity. 	£11,170		<p>New equipment will be kept in Sport storage containers to prolong its life.</p> <p>Sport TA will run insets for both TAs and teachers to learn how to teach different sports especially new sports introduced.</p>
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:

Inclusion in long term curriculum plan (PSHE, PE and Science curriculum). The children will be taught how to keep healthy both by undertaking physical activity as well as eating a healthy diet and looking after their bodies.	<ul style="list-style-type: none"> A change in what is included in children's lunchboxes. Teaching children the importance of eating healthily. An increase in the amount of physical activity undertaken both inside and outside school. 	£0		<ul style="list-style-type: none"> Continued regular checks on lunchboxes and praising children who eat healthily. Ensuring all children continue to undertake at least 30 minutes of exercise a day.
--	---	----	--	---

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	Percentage of total allocation:
	%

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
<p>Participation through YST in any PE or Sport Insets where available leads to higher quality lessons for children.</p> <p>PE lesson plans and resources available to all staff to enable lessons to be taught effectively and children to be engaged in activities for an increased amount of time. This means children are active for longer allowing us to ensure they do at least 30 minutes of exercise a day.</p> <p>2021/2022: TA allocated to Sport and PE across the school.</p>	<ul style="list-style-type: none"> Teachers and all staff leading PE sessions to request training if needed. New staff to be made aware of all resources available to teach PE. Insets to ensure TAs and teachers can teach sports especially new sports introduced. 	£280		<p>PE Resources available for future staff.</p> <p>Support for new staff members encourage a confidence when teaching PE and Sport.</p> <p>Confidence for both new and existing staff in delivering PE lessons.</p>

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils	Percentage of total allocation:
--	---------------------------------

Intent	Implementation	Impact	
<p>Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:</p> <p>New Sports to be introduced (Disc Golf and Archery).</p> <p>Sport TA to run Insets for all staff to learn new sports.</p> <p>Working with the Chipping Norton Partnership of schools, children participate in a broad range of activities including inter-school competitions in the form of events such as a swimming gala as well as football and tag rugby festivals. The children also participate in a year 1 Dance Festival and year 3/4 Ball Skills and Benchball Festival. This provides children with opportunities to meet and make friends with children from other schools. This also makes the transition to Secondary School less daunting.</p> <p>Forest school offered to children from KS2 as well as FS and KS1: The skills the children learn will be</p>	<p>Make sure your actions to achieve are linked to your intentions:</p> <p>Sport TA to introduce new sports to children in all classes.</p> <ul style="list-style-type: none"> • A designated partnership link teacher (PLT) to attend meetings of upcoming events. This ensures children will be able to attend all events run by the partnership. • Children taken to interschool competitions and festivals on coaches provided by school. Providing transport for those children who would otherwise be unable to attend events. • Encourage all children to attend at least one event run by the partnership. • Provide the opportunity for the children to undertake activities such as 	<p>Funding allocated: £2,900</p> <p>Evidence of impact: what do pupils now know and what can they now do? What has changed?</p>	<p>Sustainability and suggested next steps:</p> <p>Sport TA to run insets for both TAs and teachers so all staff are able to deliver lessons for new sports.</p> <p>Continue to fund and take part in Chipping Norton Partnership of schools' events. This allows children to compete in inter-school competitions.</p> <p>The skills learned will be able</p>

essential life skills as they progress towards adulthood.	orienteering and making a waterproof shelter. This will mean the children will learn map reading skills and be able to use a compass, as well as learning to take risks and work cooperatively as part of a team.			to be used in a range of activities at school across the whole curriculum: e.g. working in teams to complete a D&T project.
Additional achievements: The introduction of an Astro turf surface in place of grass.		£previous years' sports premium.	Children have been much more active as a result of the Astro turf as they have a larger area to play on at breaktimes and lunchtimes as well as during PE lessons.	The children are able to use the whole playground throughout the year whereas in previous years, the grass area (half of the playground) has been too boggy to use over the winter.

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
PE co-ordinator and TA: Established intra-school competitions at the end of a PE unit to increase competitive sport in school especially for those who do not play competitive sport outside school.	<ul style="list-style-type: none"> • Session planned at the end of each unit for competition. • Children sorted into 4 groups in class and playing a round robin of matches. • Photograph of winners to go on sports board. 	£2,500		<ul style="list-style-type: none"> • Teachers will include in planning when looking at PE and sport. • Introduction of competition in other sports such as gymnastics.
