

PE and Sport Premium Report 2025–2026

School: Chadlington CE Primary School

PE & Sport Premium Allocation: £16,780

Strategic Vision

PE and Sport Premium funding has been strategically allocated to improve the quality of PE teaching, increase participation in physical activity, broaden sporting opportunities and ensure sustainable improvements that continue beyond the life of the grant.

Expenditure, Intended Impact and Success Criteria

Area	Priority	Investment	Intended Impact	Success Criteria	Evaluation
CPD	Specialist coaching – ball skills	£4,700	Improve teaching quality through team teaching and mentoring. (Tennis coach, cricket coach, Elite Sport)	100% teachers report increased confidence; lesson observations good or better.	Achieved
	PE Leadership CPD – Chipping Norton Partnership PE Lead development (including partnership membership fee)	£1,200	Train new PE Leader	PE leader carries out role effectively.	Complete full transition of role next academic year.
Resources	Resource provision to increase engagement in active playtimes	£3,500	Increase daily physical activity.	Increased active play observations.	Plan and resources in place are already leading to more active play.
	PE equipment	£2,500	Maintain safe, high-quality curriculum delivery.	Curriculum fully resourced.	Achieved
Extra-Curricular Provision	Provision of extra-curricular activities for disadvantaged pupils	£3,400	Broaden participation, particularly disadvantaged and less-active pupils.	Participation of disadvantaged increases by at least 20%.	Increasing but continues to be a focus for involvement beyond school.

Entering Sports Competitions	Competitions	£1,500	Increase participation and school representation (Competition transport and resources for training)	At least 75% of pupils attend a festival or competition.	Achieved
Total Spend £16,800					

Impact Measures

- Teacher confidence survey.
- Lesson observations demonstrate improved pedagogy.
- Participation assessment and data analysis.
- Pupil voice survey shows increased enjoyment of PE.

Governors' Assurance

Governors will monitor the effective use of PE and Sport Premium through annual reports from the PE Subject Leader, review expenditure against intended outcomes, scrutinise participation and attainment data and ensure that spending delivers sustainable improvements rather than replacing core curriculum funding.

Five Key Indicators

Key Indicator	Evidence of Success
Staff confidence	Improved lesson observations and staff evaluations.
Physical activity	Greater engagement at breaktimes and lunchtimes.
Profile of PE	Whole-school events and celebration assemblies.
Broader experiences	Expanded range of sports and enrichment opportunities.
Competitive sport	Increased participation and representation at local events.

Recommendations for 2026–2027

- Improve teacher expertise in PE and Sports teaching so that they can effectively coach pupils for participation in the wide range of CNS Partnership tournaments. Develop new PE leader.
- Train staff to ensure that active play initiatives become embedded.
- Increase participation of Gypsy Roma pupils in extracurricular activities.
- Maintain tournament and event participation through Chipping Norton Schools Partnership involvement.
